Why Prestige Flag

Simple! We are a manufacturer, not a distributor. We have 100+ employees in a 20,000 square foot facility and we are passionate about our products. We only sell what we make and we only make the best quality. We provide the most value to our customers since our products last longer and cost less. If we can't make it better, we will sell it for less. The only middleman between Prestige Flag and our customers is FedEx!
